

INTERNATIONAL TRADE CENTRE (ITC)

SheTrades Ambiente 2024

SheTrades

ABOUT

ITC

the International Trade Centre (ITC) is the joint agency of the United Nations and the World Trade Organization (WTO) supporting small businesses from developing countries to become more competitive and access international markets. ITC works closely with partners along global value chains, business support institutions and policymakers.

ITC SheTrades

The SheTrades Initiative which is the International Trade Centre's (ITC) flagship women and trade programme aims to remove barriers to women's participation in trade by working with governments, the private sector, and entrepreneurs to build the business capacities of women and to create a fairer, more sustainable global economy.

About ITC SheTrades Commonwealth+ Programme

Financed by the Foreign, Commonwealth and Development Office (FCDO), the ITC SheTrades Commonwealth+ Programme (STC+) aims to foster an enabling business ecosystem by engaging business support organizations, hosting SheTrades Hubs, private-sector partners, and women-led businesses in the Commonwealth countries.

ARANYA CRAFTS

ABOUT

Aranya, a women-owned fair trade brand founded in 1990, is dedicated to preserving and advancing traditional crafts in Bangladesh. With three decades of experience, we excel in offering premium fashion and home products to both local and global markets. Our expertise resides in handloom textiles and natural dyes, collaborating with artisan communities spanning silversmiths, metalsmiths, potters, jewelers, and weavers, all skilled in crafting designer products. Our extensive network encompasses 1,500 rural artisans across 16 districts in Bangladesh. Our core mission revolves around crafting conscientious designs utilizing natural dyes, fibers, textiles, and biodegradable materials.

PT. GREENIE ALAM INDONESIA

ABOUT

Greenie is a social enterprise established in July 2020 that offers natural fiber-based decorative products such as panels and coasters (cork replacement) for the home furnishing industry, cafes, restaurants, and hotels.

It has a minimalist and natural design combined with agricultural waste to support carbon emission reduction in furniture. We collect agroforestry waste like areca leaf sheath from local farmers and SMEs in Jambi and recycle that waste into Areca series decorative products along with makers and artisans.

TOSHEKA TEXTILES

ABOUT

Tosheka Textiles is a beacon of hope and creativity. Tosheka is a Swahili name meaning satisfaction. Our journey began with a simple yet powerful mission: to empower women and youth, transforming lives through skill training, employment, and sustainable trade. At Tosheka, our artisans craft magic from 100% cotton, weaving dreams into reality, we specialize in handwoven textiles and textile accessories. Our main buyers are fashion and interior decor designers, hotels and lodges, retail shops, and individual customers. Our commitment to ethical and sustainable production practices resonates with the soul of Mother Earth herself. Each piece tells a story of resilience and passion.
